Instructions on How to Calculate the Premium for each Applicant

- Complete page 2 of the Application for Insurance by following **steps 1 and 2** on page 4. Add up the total score and copy it to line **4 FACTOR** in **Section 3 – Premium Calculation on page 3 of the Application for Insurance.**
- Calculate your age at the Departure Date from Canada.
- For Single Trips, using the correct age range in the Base Rate Tables, follow down the column until you come to the Day Band for the number of Days you require coverage.
- Use the base premium rate—based on your age and the number of days you require coverage for – to enter in line **2** of Section 3 – Premium Calculation.
- For our Annual Multi-Trip Plan, check the box indicating the number of days you wish to purchase. Put the corresponding premium from the Annual Multi-Trip Plan Base Rate Tables in line **1** of Section 3 – Premium Calculation.
- Add the amounts from lines **1** and **2** and enter the result in line **3** Annual Multi-Trip and Single Trip Base Premium SUBTOTAL of Section 3 – Premium Calculation.
- For each Applicant's premium, multiply line **3** x line **4** and enter the result in line **5**.

Each applicant must read, sign and date the Application for Insurance at the bottom of page 3. Mail or fax the completed Application for Insurance (see #5 on page 4) with the required premium.

Refunds

- Contact Maritime Travel at **1.833.767.1732**.
- If you return early from your trip, you may qualify for a refund if you have not had a claim. Early return refunds will be calculated based on the premium paid, the date you enter Canada and the Day Bands as per the Rate Tables. If the total trip length still falls within the same day band, there is no refund. Refunds are subject to a fee of \$20 per person.
- Annual Multi-Trip Plan premiums and premiums for any extension(s) are not refundable.

Extension of Coverage

If you choose to extend your trip beyond the A La Carte Travel Insurance policy expiry date, you must contact **Maritime Travel at 1.833.767.1732** at least ten(10) days prior to the policy expiry date and pay any required additional premium. You must remain eligible for coverage under all sections of the A La Carte Travel Insurance policy and a claim must not have been reported, incurred or paid.

Any new medical conditions present on the date you apply for an extension of coverage will not be covered under the extension. We calculate extension premiums by using the current Base Rate Tables for the total trip length less the premium you have paid and multiplied by your Score. There will be a \$15 per person risk premium added to this result. A minimum premium of \$30 per person applies to each extension. Please see the A La Carte Travel Insurance policy for Extension details.

NOTE: Any words that are italicized and underlined refer to defined terms. **Definitions** for these terms are found on **page 4** of the Application for Insurance.

IMPORTANT: These documents are not your policy. We will send your policy, wallet cards and a receipt once your Application for Insurance has been accepted and your premium has been processed. **This insurance covers treatment required only as a result of a medical Emergency and has other terms, conditions, limitations and exclusions which may affect your coverage. For a full description, see the policy.**

Section 4 - Declaration and Authorization

I am applying for A La Carte Travel Insurance (ALC), underwritten by Industrial Alliance Insurance and Financial Services Inc. (IA). I understand that this insurance can only be applied for prior to my leaving Canada. If I am paying for this insurance by credit card, I authorize this transaction to be charged to my credit card.

I understand that the Brochure and Application for Insurance (including the Eligibility Requirements) form part of the policy and they are all material to the risk and consideration for the insurance for which I am applying. I declare that all the information provided on this application is true and complete. I understand that if any material information necessary to complete this application is not disclosed, IA will void my policy coverage and I will not be covered for any benefits under the policy. Where I was unsure of my medical condition (s), as it pertains to this application for insurance, I consulted with my physician. I understand that in applying for coverage under the ALC policy it is my responsibility to be aware of all my **medications** and their purpose(s), as well as any medical conditions I have had or presently have. I understand that no statement made by me or any agent prior to or at the time of my application for insurance will be considered valid unless such statement has been documented and submitted in writing and accepted by IA prior to the completion of this application. If I am responsible for the payment of any deductible or found to be not eligible for this insurance under any section of the Application for Insurance or the policy, IA has the right to collect from me any monies paid out on my behalf.

I understand that the insurance applied for will not become effective unless the required premium and a signed (including any electronic signature) and dated copy of this application has been received by Maritime Travel. In the event that this application is not accepted for any reason, I will receive a full refund. I understand that all terms, conditions, limitations and exclusions in the ALC policy will apply and that only medical **emergencies** will be covered under this insurance. IA may use agents, brokers and service providers to collect, use, store and/or process personal information and personal health information on its behalf, and such information may be transferred to these entities for the purposes described herein. Personal information or personal health information may be collected, used, disclosed, transferred, stored or processed outside of Canada and may therefore be subject to legal requirements in such foreign countries. According to the Canadian PIPEDA (Personal Information Protection and Electronic Documents Act) and U.S. HIPAA (Health Insurance Portability and Accountability Act) Privacy Practices, this authorization remains valid until any claim pending or disputed under an ALC policy issued as a result of this application is settled unless an applicable law specifies a shorter period, in which case it would expire within the period applicable under that law. I understand that my personal historical medical records may be requested as far back as needed to satisfy the terms and conditions of the ALC policy. This will remain valid as long as there is a claim or dispute reported to IA. A copy or facsimile copy of this application and Declaration and Authorization shall be as valid as the original. I hereby appoint my spouse, my blood relation if travelling with me, or my substitute decision maker, to act on my behalf in the event that, because of a medical condition, I am unable to make the necessary decisions with respect to my health status. Should I have a claim, I authorize any physician, hospital, pharmacy or other medical provider who has attended or examined me to release to and exchange with the Emergency Assistance Company or its representatives any and all information regarding my medical history, symptoms, **treatment**, examination or diagnosis for the purpose of administering the insurance, assessing the underwriting risk and reviewing any claim. The information contained in any of my medical records, including any results from investigative testing, will be the basis for assessing the validity of my policy coverage and any claim made. In the event that all required documents are not provided to the Emergency Assistance Company within 6 months following the date of loss, I understand that my claim file will be closed.

If this Declaration and Authorization is revoked, then no claim will be considered until after the Declaration and Authorization is reinstated.

I understand that any change in my health status or medication between the date I complete this application and the departure date of any trip which makes me no longer eligible (as per Section 1 - Eligibility Requirements on page 1) for this policy, or which would result in a change to my answer(s) to I. Underwriting Questions on page 2 of the Option Worksheet, or would change the stability status of a pre-existing condition (other than a minor ailment), constitutes a material change to my policy and I must notify Maritime Travel.

I understand that if I do not contact Maritime Travel regarding a material change in my health status or medication, any claim may be denied and my policy coverage may be voided.
